

Canterbury A&P Association 150th Show Patrons Programme - Donation

Established in 1863, the Canterbury Agricultural and Pastoral Association has a proud history of promoting excellence in agriculture through the largest and most successful Agricultural and Pastoral Show in New Zealand. A symbol of New Zealand's agricultural heritage, the Show brings the traditions of the country to town and celebrates all things rural – from the quality and diversity of the agricultural sector to the latest in entertainment and technology.

In 2012 the Canterbury Agricultural and Pastoral Association will celebrate its 150th Show. We invite members, exhibitors and supporters to join our Patrons Programme. Funds generated from the Patrons Programme will enable the Canterbury A&P Association to develop a programme of events and projects to mark this exciting milestone in our history. In appreciation of your support, Patrons will enjoy an exclusive programme of benefits.

All donations are tax deductible.
