Hobbies, Leisure & Recreation	North Canterbury Fish and Game	Fish and Game NZ is your organisation - unique in the world as a statutory body managing freshwater fishing and gamebird hunting that is governed by the anglers and hunters themselves! They are a Public Entity, not a government department and are not funded by tax payers. All of their revenue comes from the sale of fishing and hunting licences. The 12 regional Fish and game councils do the work on the ground and the New Zealand council based in Wellington coordinates some aspects of service and speaks for anglers and hunters on matters of national importance. All Fish and Game Councils are run by licence holders elected by you, the people who buy licences.	033669191	www.fishandgame.org.nz	Lifestyle & Leisure	20
