

Getting Here Parking & Gate Entry at The New Zealand Agricultural Show

ACCESSIBLE PARKING:

For those needing accessible parking, please enter through Curletts Road. There is a dedicated space on the left of the entrance for you.

Due to limited space, a valid mobility parking pass **MUST** be displayed to access the accessible parking spots. If a pass can't be displayed, there is a drop-off point for Show Visitors with accessibility needs at the Curletts Entrance with direct access to asphalt pathways.
